- Youth Department Representation - \$68.00

Registration: Due to Covid-19 restrictions we will waive registration fees for the 2020 Virtual Session.

Sacrificial State Missions Offering: In following Covid-19 State Guidelines from Governor Roy Cooper, we have canceled our regular Convention programs since April of 2020. However, it is still your support that sustains the Woman's Convention. State Missions is the objective that keeps all the other programs and objectives alive and well in our Convention. We greatly appreciate your giving your quota, quarterly assessments, and representation. President Elizabeth S. Marrow is leading the charge in sacrificial giving toward our 2020 Special State Missions Initiative. All Pastors, churches, local circles, and individual missionaries are asked to give a special offering for state missions.

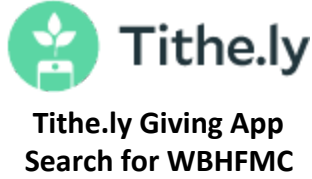

If you are listed as the contact person, please include your name on the representation form.

Please double check your information and figures prior to mailing this form.

Please do not include Missionary Helper payments on this form.
